

# For Your Paul Harris Fellows

The world's first service club was the Rotary Club of Chicago, Illinois, USA. The club was formed February 23, 1905 by lawyer Paul P. Harris and three friends – a merchant, a coal dealer, and a mining engineer. Harris wished to recapture the friendly spirit he had felt among business people in the small town where he had grown up. The name "Rotary" was derived from the early practice of rotating meetings among members' offices.
